- *Mishkan Ha'am's policy requires that after one year of enrollment in She'arim, families must become members for their children to remain enrolled.*
- *Policy also states that students must be enrolled in She'arim and members of Mishkan Ha'am the year prior and year of a student's Bat or Bar Mitzvah.*
- *As we want membership to be a possibility for every family, please contact our Membership Committee or our Treasurer, Sue Rudavsky (contact info below) to discuss membership. We encourage you to consider membership in Mishkan Ha'am as a great component of your child's learning and as a wonderful experience in and of itself.*
